re: Secured Funding for West Side Levee Project

Dear Mr. Jones:

This letter is to confirm that the City Engineer and the City Financial Officer have discussed and agreed this project fits into the guidelines of the Iowa City Storm Water Management Program.

They have agreed to allocate \$150,000 from the City of Iowa City Storm Water Management Fund for the construction of the West Side Levee if the funding application is approved by the I-Jobs Board of Directors. The funds would be available August 1, 2010.

If you have any questions or need further confirmation, please feel free to contact Ron Knoche, the City Engineer, at 319-356-5138.

Sincerely,

David Purdy
